

# Resetting your Apple ID Password

Visit [appleid.apple.com](https://appleid.apple.com) in order to begin the process of resetting your Apple ID password. You will need to select “**Forgot Apple ID or password?**” near the bottom of the page.

After selecting this link, you will:

1. Enter your Apple ID (email to download applications), select **Continue**
2. Enter your phone number, select **Continue**

**Note:** You may be asked to enter a 6-digit verification code this can be found on your computer or your iPhone. A prompt will display on the device. You will enter this code on the website after selecting **Done**

3. You will be greeted by a screen (below) that instructs you to “look for a notification shown on your devices”
4. On your phone, select **Allow** and you will be automatically sent to a screen to enter your phone’s passcode, if applicable
5. Enter your new password and verify
6. Select **Next** and your password will be successfully reset

The composite image illustrates the process of resetting an Apple ID password. It is divided into three main sections:

- Website Instructions:** A screenshot of the Apple ID management page. The heading is "Look for a notification shown on your devices." Below this, it says "A message with instructions has been sent to all of the Apple devices you are signed in to iCloud. Go to any of these Apple devices to reset your password." There are icons for Mac and iPhone. A red arrow points from the iPhone icon to the next section.
- iPhone Notification:** A screenshot of an iPhone home screen. A notification bubble is visible in the center that says "Reset Password" and "Use this iPhone to reset your Apple ID password." Below the notification are two buttons: "Don't Allow" and "Allow". A red arrow points from the "Allow" button to the next section.
- Password Entry:** A screenshot of an iPhone screen titled "New Apple ID Password". It has a "Cancel" button at the top left and a "Next" button at the top right. There are two input fields: "Password" (with "required" text) and "Verify" (with "retype password" text). Below these fields, it says "Your password must be at least 8 characters, include a number, an uppercase letter, and a lowercase letter."
